Summary

Results-driven professional with a versatile background spanning housekeeping, central processing, truck driving, and rideshare driving. Proficient in Full-Stack Development, with expertise in HTML, CSS, Bootstrap, Tailwind, JavaScript, React, Node.js, and SQL databases. Excels in problem-solving, customer service, and managing responsibilities efficiently.

Experience

Freelance Web Developer

(January 2024 – Present)

- Currently, I'm knee-deep in a loan project. I'm using a whole bunch of techie stuff like HTML, CSS, JavaScript, React, Node.js, SQL databases, Bootstrap, and Tailwind to make it all work.
- I'm part of a team working on this, so it's not just me tinkering away alone.
- And hey, this project isn't done yet, so yeah, it's still a work in progress.

Rideshare Driving | Uber and Lyft

(August 2023 – Present)

- Provide rideshare services with a commitment to exceeding customer expectations.
- Ensure safe and efficient navigation through city routes for a positive passenger experience.
- Maintain a clean and comfortable vehicle environment, prioritizing passenger satisfaction.
- Demonstrate strong communication skills and professionalism, fostering positive rider interactions.

Truck Driving

Unitrans Trucking (May 2022 - December 2022) | **West Cargo Trucking** (February 2022 - May 2022) | **Mabe Trucking** (October 2021 - January 2022)

- Conducted pre-trip and post-trip inspections to ensure vehicle safety and compliance.
- Managed loading/unloading, cargo securing, and delivery coordination.
- Maintained accurate records and collaborated effectively with dispatch and customers.
- Recognized for achieving on-time delivery performance and exceptional customer feedback.

Sterile Processing Technician | High Point Wake Forest Baptist Health

(October 2019 - April 2021)

- ❑ Initiated and maintained sterile processing cycles, ensuring surgical hygiene standards.
- ❑ Conducted manual and automated cleaning procedures, inspecting and assembling instruments.
- ❑ Operated sterilization equipment to facilitate seamless surgical procedures.
- ❑ Organized and managed sterilized instruments for optimal efficiency.

Housekeeping | Aramark at Highpoint Wake Forest Baptist Health

(September 2016 - October 2019)

- ❑ Managed housekeeping operations with meticulous attention to detail, maintaining sanitized environments.
- ❑ Executed diverse cleaning tasks, including floor mapping, waxing, and buffing.
- ❑ Collaborated with the team to meet cleanliness standards and address customer needs promptly.

Personal Projects

- ❑ Developed a Netflix clone integrating real-time movie data using HTML, CSS, React, and Node.js.
- ❑ Created an Amazon clone with Firebase authentication and Stripe for secure payment processing.
- ❑ Designed an Apple replica focusing on minimalist design using HTML, CSS, and React.
- ❑ Contributed to EvangandiForum development, implementing SQL database for data storage and user authentication.

Skills

- ❑ Proficient in HTML, CSS, JavaScript, Bootstrap, Tailwind, React, Node.js
- ❑ Experienced with SQL databases.
- ❑ Familiar with version control systems like Git
- ❑ Strong problem-solving skills
- ❑ Collaboration and teamwork
- ❑ Responsive web design
- ❑ Time management
- ❑ Customer service
- ❑ Adaptable to new technologies and environments

Certifications

- ❑ Evangandi Tech (Full-Stack Development)
- ❑ Sterile Processing Technical Certification (Purdue University)

Combining a diverse skill set with proficiency in Full-Stack Development, I am eager to tackle new challenges requiring adaptability, problem-solving, and strong work ethic. Open to opportunities that leverage both hands-on experience and technical expertise.
